

The 17<sup>th</sup> edition of the **International Conference on e-Health** (part of the 19<sup>th</sup> IADIS Multi Conference on Computer Science and Information Systems 2025) was held in Lisbon, Portugal, during **23-25 July, 2025**.

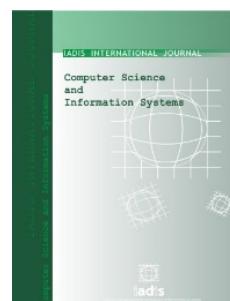

This conference was organized by the International Association for Development of the Information Society (IADIS)

This conference focuses on the notion that the use of ICTs (Information and Communication Technologies) in Healthcare Services is the main mechanism to improve efficiency and effectiveness. Therefore, the e-Health 2025 conference aims to draw together information systems, practitioners and management experts from all quadrants involved in developing computer technology to improve healthcare quality. Submissions were accepted under the following 3 main areas in the field of e-health: Research Issues, Management Issues and Applications.

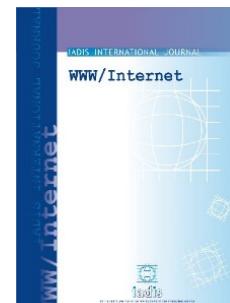

The EH 2025 was published jointly with the 11<sup>th</sup> International Conference on Connected Smart Cities (CSC 2024) and the 10<sup>th</sup> International Conference on Big Data Analytics, Data Mining and Computational Intelligence (BigDaCI 2025). These conferences received 168 submissions from more than 23 countries. Each submission has been anonymously reviewed by an average of four independent reviewers, to ensure that accepted submissions were of a high standard. Consequently, only 25 full papers were approved which means an acceptance rate of 15%. A few more papers were accepted as short papers and reflection paper, posters and doctoral paper.

Extended versions of the best papers were selected to be published in:

- ❖ the IADIS International Journal on Computer Science and Information Systems (IJCSIS). ISSN 1646-3692.

- ❖ the IADIS International Journal on WWW/Internet (IJWI). ISSN: 1645-7641

Besides the presentation of full, short and reflection papers, posters and a doctoral paper, these conferences also included one keynote presentation from Professor Dr. Piet Kommers, UNESCO Professor of Educational Technology (The Netherlands).

### Keynote Presentation:
